*Due to inclement weather that has impacted the tournament schedule on both May 6 and May 7, the Games Committee, in consultation with administrators from each of the four remaining teams following the conclusion of Game 6, has made the determination that the tournament will not be able to be played to its completion prior to the deadline for the NJAC to submit its automatic qualification to the NCAA on May 8. As such, the Games Committee determined that per conference policy, the conference championship and the league's automatic qualification will be awarded to the team that achieves a record of 3-0 in tournament play.
